

12/1/09 - The Health Center would like to announce a new satellite clinic in Alumni Hall, room 126. We have named this office the "AHC" – the Alumni Hall Clinic! The clinic was begun at the request of the Education department to reduce the amount of time students are out of the classroom, especially during noon medication administration times. The clinic is available to students every day from 11 AM to 1 PM. The primary nurse staffing the clinic is Beth Wallander. She is available to provide scheduled and "as needed" medications, assess students for minor injuries and illnesses, and for consultation on health issues for students, staff, and parents. If a student needs more immediate or serious care, the Health Center is still open during that time. During the school day when AHC is not open, the department secretaries will handle minor injuries and issues in consultation with the HC staff. If you are in Alumni Hall, stop by and see the new clinic and say hello!

Deb Robarge and the HC staff

1/4/10 – Mobile Dental Clinic at ISD!.....the mobile dentists will be at ISD on Wednesday, February 10th, 2010. Registration forms available at the Health Center. Mobile Dentists accepts most insurance policies, Medicaid and provides scholarships for students without dental insurance. Mobile Dentists/Smile Programs will set up a mini-dental office and can provide *dental examinations, cleanings, fluoride treatments, x-rays and sealants (if needed)* for all children who return completed forms. See letter sent out to all parents this week for more information. Start off the New Year with a beautiful smile!
